## singer/ mover/ actor

I was the Face of "The Face of the Army". I was Guest Entertainer on the largest cruise ship in the world for RCCL; I've headlined on Carnival Cruises; performed in production shows on 11 different ships & dozens of theatres around the world; sung at the Venetian Resort & Casino in Las Vegas, Harrah's, Bally's, Treasure Island, & many other casinos around the States. I can front a band, sing harmony, M.C. your event, sight-read, comp on a piano, write my own arrangements & charts, and produce all the multimedia needed to promote an event, from the posters & flyers, to the website – I was the Multimedia LED Director for the US Army Soldier Show.
